Bayt Al Qaim Madressa Annual Presentation

2024

Mission Statement

To impart to our students knowledge and understanding of Islam delivered to us by *The Holy Prophet (saww)* & *His Holy Progeny (as)*, in order that they grow up to be responsible youth and committed individuals. We aspire to provide them with the necessary skills to enable them to contribute to the well-being of the society in which they live.

Our Values

- We teach our children to follow the teachings of Shia Ithna-Asheri and to cultivate in the pupil a reverence for, and a love for Allah, Creator of the Universe.
- We value, respect and we teach our pupils the importance of having respect for their parents, for their teachers, for each other, for Allah's creation and themselves.
- We have a strong belief in the traditional values of hard work, courtesy and good behaviour.
- We value friendship and forgiveness and our pupils are taught to care for one another.

Aims

We aim to provide the highest quality of teaching and learning for all our students.

We aim to provide an environment where students are respectful to each other, to the teachers and to themselves.

We aim to provide a happy, caring environment where success is celebrated and hard work rewarded.

We aim to develop the Islamic knowledge, understanding and skills necessary for our students to grow in confidence, spirituality and to flourish into good practicing Muslims.

We aim to encourage students to be aware of the needs of others in this country and around the world.

We aim to build an inclusive community where all are valued.
